

Did You Know That We Are More Than Just Payroll?

Dear Valued Client,

To show appreciation for your continued business, we are sending you a FREE All In One State and Federal Labor Law Poster to ensure that you are up-to-date with current labor law posting requirements. We are also enhancing our level of service by including our new Poster Replacement Solution that provides year-round, worry-free labor law posting compliance backed by a \$25,000 'We Pay The Fine' Guarantee.

How Does It Work?

Receive your All In One State and Federal Labor Law Poster.

When a mandatory state or federal change occurs, a new up-to-date replacement poster is automatically shipped to you.

When a recommended change or a city/county change occurs, we alert you with a call, and email the updated posting.

Post any new labor law posters that you receive, replacing the prior versions. Print and display any new updated notices you receive via email.
